<hr/>	

*During the lectures and the breaks you will have
time to visit the stands*

END approx. 5 pm

We invite to

FlokPlus

at the WOW Hotel Istanbul

Flock meets us everywhere in life – whether effectively as an eye catcher, subtly in the background or completely hidden. But everywhere that it is used, we are rewarded by its excellent properties. Flock can be found everywhere because the technique is fascinating.

Flokplus will be a new platform of information and exchange in regards to flock on the turkish market.

We look forward to meeting you in Istanbul
